FREE EDUCATIONAL PRESENTATION

DESCRIPTION OF THE TRAINING

This educational presentation seeks to expand the attendees' understanding of PTSD assessment and treatment, specifically concerning Veterans. The speakers will also highlight:

- The National Center for PTSD resources, including VA mental health apps
- The PTSD Treatment Decision Aid
- AboutFace.

Examples of how these resources can be used to enhance and supplement clinical care will be provided.)

Attendees will gain an understanding of the essential assessment and treatment takeaways from the updated VA/DoD clinical practice guidelines for PTSD. This presentation will also delve into additional resources to help support the clinical care provided to Veterans diagnosed with PTSD.
