THE FRAUD FALLOUT **MENTAL HEALTH CONSIDERATIONS IN** NAVIGATING SYSTEMS AND LEGAL IMPLICATIONS

1.5 HOUR CE Credit, NBCC, APA, ASWB

Virtual Training Hosted by Give an Hour, and Supported by FINRA Investor Education Foundation

Module 3 of our Financial Fraud **Support Training Series for Mental Health Providers**

COURSE COMPLETION AND CE INFORMATION

VIEW AGENDA

This training examines the mental health challenges faced by financial fraud survivors as they navigate complex legal, financial, and support systems. Participants will explore the impact of implicit bias and judgment, apply trauma-informed strategies to foster empowerment and emotional safety, and identify systemic barriers that complicate recovery. The module will also address how interactions with legal and financial institutions can cause secondary victimization, equipping participants with strategies to validate survivor experiences, minimize harm, and support long-term resilience.

INSTRUCTORS:

Julie Wells, MA Director of Strategic Development, Give an Hour

Debbie Deem **FBI Victim Specialist**

Julie Wells is the Director of Strategic Development at Give an Hour, where she leads efforts to expand mental health initiatives and strategic partnerships. She brings extensive experience in program development, organizational growth, and community engagement in the nonprofit sector.

Debbie Deem is a retired/unleashed Los Angeles FBI Victim Specialist who volunteers in efforts supporting chronic victims of transnational fraud crimes, their families and professionals who serve them

LEARNING OBJECTIVES

Identify and Address Implicit Bias **Toward Fraud Victims**

Identify common implicit biases and judgment patterns toward financial fraud victims and apply strategies to foster nonjudgmental, supportive responses.

Apply Trauma-Informed Strategies to Support Fraud Victims

Apply trauma-informed strategies that prioritize empowerment, trust, and emotional well-being when supporting individuals impacted by financial fraud.

Identify Barriers to Justice and Support for Fraud Victims

Identify systemic barriers victims face in seeking justice and support, including legal complexities, stigma, and resource limitations, and discuss strategies to address these barriers.

Identify Mental Health Impacts in **Recovery Processes**

Describe how legal and financial recovery processes affect the mental health and trauma recovery of fraud victims, and identify victims' rights and available reporting mechanisms.

Address Secondary Victimization and Re-Traumatization in **Recovery Systems**

Describe how interactions with legal, financial, and support systems can cause secondary victimization and retraumatization for fraud survivors, and apply strategies to validate survivor experiences, minimize harm, and build resilience.
