## ABOUT GIVE AN HOUR

We are a national organization transforming mental health in America by developing resilient communities. Through peer support and the knowledge gained from lived experience, we empower and uplift individuals and communities so that anyone who has experienced trauma is equipped with the skills to live a full, healthy, and happy life.

## MONTHLY, NO COST, VIRTUAL

- Peer mentorship to guide and support you on your journey back into the workforce.
- A safe and supportive space to hear stories, share challenges, and learn strategies to overcome obstacles.
- Sessions are virtual and led by someone with lived experience who understands the unique challenges faced by justice-impacted persons.
