## RARE CARE PEER SUPPORT TRAINING

Give an Hour is proud to present, Rare Care, a peer support program designed specifically for Rare Caregivers. Peer support is a reciprocal program between two people who have experienced a similar event and want to continue to heal by listening to and supporting one another. This is not therapy, but ongoing conversations and genuine connections.

Two dates to choose from:

Cohort #1: Tuesdays, 8/9/22-9/13/22 (6-8 pm PST)

Cohort #2: Tuesdays, 10/4/22-11/8/22 (TBD)
